About our Speaker... David talks about “The Climate Change Bill”, how it affects the supplier / business / customer will there be a rate change for the consumer?

David Caris, Vice President of State Government Affairs for MidAmerican Energy Company, has worked in the government affairs field for the past 23 years. In 1986, he joined Iowa-Illinois Gas and Electric Company in Davenport, a predecessor to MidAmerican Energy, lobbying for the company in both Iowa and Illinois. When MidAmerican Energy was formed in 1995, he assumed his current position for MidAmerican in Iowa and three adjoining states. David holds a BS in Finance from Iowa State University and a MBA from St. Ambrose University. He currently serves on the boards of the Greater Des Moines Partnership, Downtown Community Alliance, Junior Achievement of Central Iowa, and Roosevelt High School Foundation. He is a member of the Iowa Business Council Deputy Committee.
