

Quad City Engineering and Science Council

Meeting Minutes - September 19, 2007

1. Attendees: Chris Hebel, ANS; Pat Barnes, QCESC Webmaster; Nancy Ekblad, FPS; Mary Daniels, AFS; Paul Greve, IIE; Jeff Melvin, ANS; Kim Findlay, Putnam Museum; and Tom Richmond, SAVE Int'l.
2. The minutes of the previous meeting (August 15, 2007) were approved as submitted.
3. Kim Findlay of the Putnam Museum of History and Natural Science addressed the attendees regarding a potential hosting of a special exhibit at the museum. Kim would like the QCESC to help get the word out on the exhibit and possibly to help create related workshops.. The special exhibit may be hosted in the early November - mid-February time frame.
4. Treasurer's Report. Treasurer Nancy Ekblad reported that Council funds currently are \$3,107.97. Nancy will not continue as Treasurer beyond her current term.
5. Presidents' Reception. This year the Presidents' Reception will be held on October 26 and will be combined with the ASMI Hockey Night. The reception will be held at Johnny's Steakhouse. The Council will provide two drink tickets to each member Society. Pat Barnes will craft a communication providing the details of the reception to societies.
6. Status of Officers. Tom Richmond has agreed to compete for the office of secretary, again. Pat Barnes will query a past Junior Engineer of the Year Receiptant regarding his interest in serving as President/President.
7. Telephonic Meeting. A telephonic conference meeting will be conducted on Wednesday, October 3, at 5:00 PM. Pat Barnes is organizing the conference call.
8. Next Meeting. The next regular face to face meeting will be Wednesday, October 17 at 5:00 PM at the Butterworth Center - Orchid Room (2nd Floor near top of stairs) - 1105 8th Street -Moline.
