Quad City Engineering and Science Council (QCESC)

2. New QCESC Public Relations/Publicity Coordinator

Shelly DeVore was introduced as the QCESC Public Relations/Publicity Coordinator. This is a new volunteer position that has been created. Shelly works at Exelon at the Quad Cities Nuclear Generating Station. During her 5+ years at Exelon she has worked in several in engineering and one year as the Quad Cities Site Communications Managers.

3. Minutes from Previous Meeting – Tom Richmond

http://www.qcesc.org/Meetings/Minutes-2009-08-19_B.pdf

The minutes of the previous meeting were approved without change.

4. Plans for Future QCESC Meetings – Pat Barnes

Location: It was decided to continue to have future meetings at the same location at Western Illinois' Engineering building which is at: WIU - Caxton Building - 1701 River Drive, Moline, IL (East Side of Building - 1st Floor, room 102).

Meeting Time: Based on the discussion of the meeting participants; it was decided to change the meeting start times from 5:00 PM to 5:30 PM. This change was made to allow people working until 5 PM to make the meetings.

5. Society Updates - Society Representatives Present

- a. ASM - Barry Murchie reminded attendees of the joint QCESC/ASM Hockey Night on October 30 at Johnnies Steak House in Moline.
- b. NDIA - Steve Mapley stated that his society is interested in sponsoring a \$1,000 scholarship for a STEM candidate.
- c. IIE - Bill Jorgeson advised that his society will host a trivia night in March (probably at St. Ambrose U.)
- d. SAE - Brad Keleher advised that his society's website is up and running.
- e. IEEE - John Johnson stated that his society will have a seminar on Power System Grounding on Oct 30.
- f. ASQ - will receive the Baldrige Award for its involvement in Spring flooding.
- g. SAME/ASCE – are jointly sponsoring annual engineering conference on Oct 21 and they expect around 100-150 attendees.
- h. ASABE - will meet on Oct 13 and are expecting about 60-70 people.

6. Invitation for Joint Meeting with IEEE – November 19 “How to get Congress to Give You \$280 Billion – See attachment (5 minutes)

[Link to Further Details on Event](#)

It was decided that the QCESC would co-sponsor the event.

7. Proposed QCESC Related Activities for 2009-2010

Reviewed the attached tentative list of activities for 2009-2010.

<http://www.qcesc.org/Meetings/QCESC%20-%20Proposed%20Activities%20-%202009-2010.pdf>

Steve Mapley made several observations/recommendations: a list of workshops should be compiled and individual societies could sponsor workshops. Also, Steve can be contacted for information on robotic competition including the competition at the Putnam Museum in Nov and the First Tech Team scrimmage at the Putnam on Nov 13. Steve also made the point that mentors and money are needed to support QCESC involvement in the various workshops.

8. Review Proposed QCESC Goals and Activities for 2009-2010 – Pat

Rest of the meeting was spent on reviewing and discussing the attached draft goals for 2009-2010.
