2. Discussion.

A. E-Week Banquet. John Johnson led a discussion on the following banquet matters: buffet cost - \$18.75; bar fee - \$150.00; coat rack - \$150.00; risers - \$20.00; oer-douvres - \$125.00. It was decided to decline the coat rack and risers. Free meals would be provided for scholarship winners and one parent.

B. Scholarship Donations. ASM - \$500.00; Iowa State U. - \$1,500.00. Also, Treasurer, Chris Hebel provided handouts which comprised: 2009 Cash Flow YTD, 2009 Scholarship Summary (donations pledged and received), Bridge Event Cash Flow (donations pledged and received), and Banquet Reservations Received to date.

C. STEM Activities. Rebecca Whitaker (U. of Ia) is planning summer engineering camps. First Robotics Final Fest will be held in Atlanta. Judges are needed for the mouse trap event.

D. Battle of the Bridges. The question of the cut-off number for teams was discussed, i.e., 32 vs. 35. Tom Richmond, Chancellor of the Secretariat, advised that he will provide for 35 teams.

E. Awards. Fifteen award nominations have been received to date. No nomination for Junior Engineer of the Year has been received.

3. Next Meeting. The March QCESC monthly meeting will be held at the Butterworth Center, 1105 8th St., Moline, at 5:30 PM on Wednesday, March 17, in the Oak Room (lower level).
