#### **Requirements for Eligibility**

1. Must be a high school senior or a Freshman or Sophomore in College. Also must be a resident of Mercer, Rock Island, Henry, Whiteside, Clinton, Scott, Muscatine, or Louisa County.
2. Must plan to study Engineering or Science at an accredited four-year college or university.

#### **Description of Scholarship**

The Quad City and Engineering Science Council Scholarship was established and is administered by the Council. This one-time grant of between \$1000 and \$3000 is awarded on an objective basis without regard to race, sex, or religion. Criteria include academics, civic/community service, extracurricular involvement, and career focus. Funds from this grant must be applied to tuition or fees related to eligibility item 2. Additionally, scholarships from Iowa State College of Engineering, and other Engineering Colleges may be available via this form. Scholarships awards will be announced at the Annual Engineers Week Banquet on, or about, March 1, 2012. The scholarship winners and one parent each will be the guests of the QCESC at the annual awards dinner. Additional family members are encouraged to attend at the regular meal price; contact Tom Hein for details. Winners will be requested to provide a photo for publication with the award announcement in the QC local newspapers and on the QCESC website.

#### **Note:**

This form can be completed and printed for mailing as a MS Word Document (DOC) from the QCESC website at [www.qcesc.org](http://www.qcesc.org), under QCESC Information (scholarships). ## **Additional Scholarship Information**

For the 4<sup>th</sup> consecutive year, in addition to scholarships from the QCESC and its member societies, scholarships will also be available from the following Engineering Colleges:

- Iowa State University (2 x \$1,000 scholarships)
- University of Iowa (1 x \$1,000 scholarship)
- University of Illinois – Chicago (1 x \$1,000 scholarship)

To be considered for these scholarships in addition to the QCESC scholarships, please indicate your interest in the "SCHOOL INFORMATION" box on page 4 of this application. These scholarships are administered directly by the College of Engineering at these Universities; the QCESC selects and recommends applicants to the colleges. To receive the scholarship, if you are selected, you must attend the College of Engineering at the specific University.

Contact Tom Hein (see contact information on page 1) for more information and availability of these scholarships.
